

# Gifts of Stock

## to the Palo Alto History Museum

---

The Palo Alto History Museum is very grateful to receive gifts of appreciated securities.

Such a gift may have significant tax advantages to the donor over gifts of cash. For example, the donor may be able to take a tax deduction, allowable by law, for the market value of the securities rather than the cost basis for which they were purchased.

Gifts of securities may be transferred to the Museum through our brokerage account at Edward Jones. In making the transfer, you'll need to know:

<i>Account Name:</i>	<b>Palo Alto History Museum</b>
<i>Account Registration Number:</i>	<b>#592-17079</b>
<i>Edward Jones DTC Number:</i>	<b>DTC 0057</b>

Please also let **Laura Bajuk**, our executive director, know the name of the company's stock being gifted and the number of shares provided. She can be reached at [LBajuk@paloaltomuseum.org](mailto:LBajuk@paloaltomuseum.org) or 650.322.3089. This will ensure that we can give you the appropriate credit for your gift.

For your convenience, the Museum's tax identification number is: #77- 0634933.

Thank you for your gift!
